ORIGINAL DIVISION

August 20, 1975

His Excellency Dr. Kurt Waldheim
Secretary-General of the
United Nations
The United Nations
New York, N.Y. 10017

Your Excellency:

I have the honor to place on record and to submit to Your Excellency the facts about Mr. Chaim Herzog, the new representative of the counterfeit "State of Israel" in the United Nations.

The Legal Department of The Arab Higher Committee for Palestine has compiled an indictment of 30 counts against Chaim Herzog, charging him with War Crimes, Acts of Genocide, and Crimes Against Humanity.

Chaim Herzog is not a Palestinian. Neither he nor his ancestors were born in Palestine. He is an Irish Jew, of Khazar origin, and was born in Dublin, Ireland. His real name is Vivian Herzog. He is a British subject who served in the Black Watch Regiment of the British Army, a regiment known to the people of Palestine for its brutality and ruthlessness. Herzog has no moral or legal rights in Palestine. He came to Palestine in 1935 and became a terrorist and member of the Haganah terrorist organization, which committed atrocious crimes and massacres against the Palestinian people. Vivian Herzog took part in several terrorist acts, of which The Arab Higher Committee for Palestine has complete and unimpeachable proof.

In 1948, Vivian Herzog was an active terrorist, and was part of the Haganah, which made assaults on Arab towns and villages and, together with the Irgun and Stern Gangs, expelled more than 1,000,000 Palestinians from their ancestral homeland.

Mr. Herzog is well known as a Talmudist fanatic Jew, who harbors nothing but hate and contempt for the Gentiles. Vivian Herzog has the same characteristics of his brother-in-law, the war criminal Abba Eban, namely, a slick tongue, an affected Irish brogue, and a passion for lies and deception. He is well known as a genius in inventing, fabricating and twisting news in his radio and press commentaries.

The most serious part of the indictment against Chaim (Vivian) Herzog relates to the actions committed by him during 1967, when he was the Military Governor of the occupied West Bank.

His Excellency Dr. Kurt Waldheim

August 20, 1975

On the 15th of June, 1967, the Security Council adopted a resolution regarding the protection of the civilian population in the occupied areas. The General Assembly adopted a similar resolution on the 4th of July, 1967, reaffirming the same principles. Both resolutions called upon the Government of "Israel" to "ensure the safety, welfare and security of the inhabitants of the areas where military operations have taken place and to facilitate the return of those inhabitants who have fled the areas since the outbreak of hostilities."

The Israeli authorities and, in particular, the Military Governor of the occupied West Bank, Chaim (Vivian) Herzog, and his staff, violated these resolutions, defied the United Nations, and committed War Crimes, Genocide, and Crimes Against Humanity against the civilian population of the West Bank.

The following are the War Crimes for which Chaim (Vivian) Herzog will be indicted:

1. Collective and area punishment in Palestinian villages;
2. Deportation and expulsion of Palestinian individuals and families;
3. Ill-treatment of prisoners and detainees;
4. Ill-treatment of Palestinian civilians;
5. Destruction and demolition of houses and buildings of Palestinians;
6. Confiscation and expropriation of property of Palestinians;
7. Looting and pillage of homes and business establishments of Palestinians;
8. Annexation and settlement of parts of the occupied territories;
9. Denial of the right of the Palestinians to return;
10. Exploitation of the resources of the occupied territories;
11. Violation of the religious rights of Palestinians in the occupied territories;
12. Desecration of Christian and Muslim holy places.

In his capacity as Military Governor, he was primarily responsible for the expulsion in 1967 of over 50,000 Christian and Muslim

His Excellency Dr. Kurt Waldheim

August 20, 1975

Palestinian families from the Jerusalem area, and over 50,000 families from the Gaza Strip.

These are the antecedents of this sinister man who has been appointed as a counterfeit ambassador to the counterfeit "State of Israel." By sending Chaim (Vivian) Herzog as its representative to the United Nations, so-called "Israel" intended to insult, degrade and demean the world organization.

The Palestine Arab Delegation implores Your Excellency and implores all the distinguished and honorable delegates in the United Nations to shun and despise this man, who is unworthy of being a delegate in the United Nations. What would be the reaction of the world community if one of the Nazi Military Governors of France, or Belgium, or Holland, during the Nazi occupation, had come as an Ambassador to the United Nations?

The United Nations is dedicated to international law and justice, to peace, and to human rights. It cannot, and should not, accept and honor a man who stands indicted by the people of Palestine for War Crimes, Genocide, and Crimes Against Humanity.

Respectfully yours,

Issa Nakhleh

THE PALESTINE ARAB DELEGATION

441 Lexington Avenue • Suite 509
New York, N. Y. 10017

August 26, 1975

His Excellency Dr. Kurt Waldheim
Secretary-General of the
United Nations
The United Nations
New York, N.Y. 10017

Your Excellency:

It surely becomes Vivian Herzog, the ex-Military Governor of the West Bank, who stands indicted for War Crimes, Genocide, and Crimes Against Humanity, to begin his so-called "diplomatic mission" in the United Nations by sending Your Excellency his letter of the 20th of August, 1975 (the second day after he presented his credentials), which is full of shameful lies and distortions.

The Palestine Arab Delegation feels duty bound to submit to Your Excellency and members of the United Nations the true facts about the record of the Zionist authorities in occupied Palestine "in respect of the Holy Places of all faiths."

1. During the 1948 Palestine War, Jews destroyed, desecrated, and profaned Muslim and Christian holy places throughout the area of Palestine occupied by them. The records of the United Nations contain detailed evidence of these facts and the protests made by Muslim and Christian religious leaders.

2. From 1948 until 1967, Zionist authorities in occupied Palestine pursued their objective of eradicating Christianity and Islam from the Holy Land. Over 20 churches and over 300 Muslim mosques were completely destroyed by the Zionist authorities, or used in the most sacrilegious manner.

3. During the 1967 War, Jewish forces bombarded the Holy City of Jerusalem. The Central Gate of Masjid Al-Aqsa was shattered to pieces. Its dome and its minarets received direct hits. The Dome of the Rock was hit in many places and seriously damaged. After occupying Jerusalem, Jewish hooligans held demonstrations, dancing festivals and immoral parties in the sacred area of Haram Al-Sharif. The gates of the Dome to the Rock and Al-Masjid Al-Aqsa were opened to Jewish tourists of both sexes, with their dogs. Men and women entered these holy places dressed in shorts and committed disgraceful acts of indecency and desecration.

Jewish forces dynamited 135 buildings and a mosque owned by Muslim Waqfs in Old Jerusalem in order to clear the way for a square in front of Alburag, i.e., the Western Wall of Al-Masjid Al-Aqsa.

4. Jews encroached on Muslim religious rights in this Muslim Holy Place (Al-Buraq) which is called by Jews, "The Wailing Wall." They behaved as if Al-Buraq belonged to Jews. It is important to recall that the 1929 disturbances in Palestine were caused by Jewish attempts to establish for themselves new rights in Al-Buraq. In 1930 the British Government, as Mandatory Power over Palestine, with the approval of the Permanent Mandates Commission, and the Council of the League of Nations, appointed a commission to investigate the rights and claims of Arabs and Jews regarding this Muslim Holy Place Al-Buraq, or what was referred to by Jews as the "Wailing Wall." After hearing hundreds of witnesses and examining documentary evidence, the Commission decided that the legal proprietary right to the Western Wall belonged exclusively to Muslims, and that the present Western Wall was built by Muslims and has no relation whatsoever to the Jewish Temple.

In spite of the fact that the Western Wall of Al-Masjid Al-Aqsa, wrongly called the "Wailing Wall," never belonged to Jews, and was never a Jewish holy place, yet Jewish authorities in occupied Palestine and Jewish organizations throughout the world are conducting fraudulent world-wide propaganda campaigns to deceive world public opinion into believing that it is a Jewish holy place.

5. During the 1967 War, Jewish forces shelled and damaged many Christian churches in the Old City of Jerusalem and the Church of the Nativity in Bethlehem. Jewish forces opened the Church of the Holy Sepulchre to Jews who poured into the holiest place in Christendom indecently dressed, behaving disrespectfully, joking, singing and pouring pharisaic hate and insults against Christianity and against Jesus Christ inside the Holy Sepulchre and next to the tomb of Jesus Christ.

An American eye-witness, Nancy Nolan of Grosse Ile, Michigan, wife of Dr. Abu Haydar of the American University Hospital in Beirut, Lebanon, in an open letter to the Christians of the Western world, described as an eye-witness what she saw in Jerusalem during and after its occupation in 1967 by Jews. She states:

"While the Israeli authorities proclaim to the world that all religions will be respected and protected, and post notices identifying the Holy Places, Israeli soldiers and youths are throwing stink bombs in the Church of the Holy Sepulchre. The Muslim call to prayer, formerly heard from every minaret five times daily, is no longer heard in Jerusalem, third most sacred city to the hundreds of millions of Muslims all over the world.

"The Church of St. Anne, whose crypt marks the birthplace of the Virgin Mary, has been severely damaged and the Church of the Nativity in Bethlehem also was damaged. The wanton killing of the

Warden of the Garden Tomb followed by the shooting into the Tomb itself, in an attempt to kill the warden's wife, was another instance that we knew first-hand which illustrated the utter disregard shown by the occupation forces toward the Holy Places and the religious sensibilities of the people in Jordan and in the rest of the world. The desecration of the Christian churches, especially the Church of the Nativity and the Church of the Holy Sepulchre, of which we know personally, includes smoking in the churches, littering the churches, taking dogs inside and entering in inappropriate manner of dress. Behavior such as this cannot be construed other than as a direct insult to the whole Christian world."

Reverend James L. Kelso, the former moderator of the United Presbyterian Church, who lived for many years in Palestine, described the damage and desecration of church property in an article published in Christianity Today, July 21, 1967. Reverend Kelso states: "How did Israel respect church property in the fighting a few weeks ago? They shot up the Episcopal Cathedral, just as they had done in 1948. They smashed down the Episcopal school for boys so their tanks could get through to Arab Jerusalem. The Israelis wrecked and looted the YMCA upon which the Arab refugees had bestowed so much loving hand-craft. They wrecked the big Lutheran Hospital, even though this hospital was used by the United Nations. The hospital had just added a new children's center and a new research department. The Lutheran center for cripples also suffered. At Ramallah, a Christian city near Jerusalem, the Episcopal girls' school was shot at and some of the girls were killed. So significant was this third Jewish war against the Arabs that one of the finest missionaries of the Near East called it 'perhaps the most serious setback that Christendom has had since the fall of Constantinople in 1453.' . . . There is a deep horror about all this history in the fact that great numbers of Christians in the United States applaud Israel's crimes against Arab Christians and Arab Muslims. How can a Christian applaud the murder of a brother Christian by Zionist Jews? The Arab church is as truly the body of Christ as the American church."

6. One of the greatest Jewish criminal conspiracies against Muslim Holy Places in Jerusalem is the plan to destroy Al-Masjid Al-Aqsa and to build the Jewish Temple on its site. Jews coined the slogan: "There could be no Zion without Jerusalem and no Jerusalem without the Jewish Temple."

Jews never concealed this aim and their political and religious leaders continued to make statements to this effect without mincing words. They boldly declare that to destroy Al-Aqsa Mosque and rebuild the Jewish Temple on its site is one of their cherished aims.

In 1920 the World Zionist Organization officially requested the British Government and the British Administration in Palestine to hand over to Jews all the area of Al-Masjid Al-Aqsa. This was of course refused. In 1922, Lord Melchet, a British Zionist Jew, stated: "The day on which the Jewish Temple will be rebuilt has become very near. I shall dedicate the rest of my life for the

reconstruction of Solomon's Temple on the site of Al-Aqsa Mosque." On the 18th of August, 1929, the Jerusalem Jewish Daily Paper, Dower Hayoun, published a statement by the Chief Rabbi of Palestine, Ishaq Cook, before a Jewish rally in Jerusalem, in which he said:

"Jewish youth all over the world demonstrated their national zeal as well as their Macabi military strength. They are ready to sacrifice their lives in order to redeem their Holy Temple at present occupied by Al-Aqsa Mosque."

Jewish organizations published and circulated photographs showing Al-Masjid Al-Aqsa and other Muslim holy places in Palestine under the Jewish flag and Jewish religious signs. (See attached photos)

As far back as 1948, committees of Jewish Rabbis and Talmudic scholars prepared minute descriptions and studies about the Jewish Temple which once existed 2000 years ago, and which was burnt and completely destroyed in the year 70 A.D.

A committee of Jewish architects was set up in 1949 to prepare architectural designs and blueprints for the construction of the Jewish Temple on the site of Al-Masjid Al-Aqsa.

During the 1965 World Fair in New York, Jewish organizations constructed a small pavilion and exhibited a model of the Jewish Temple which Jews plan to construct in Jerusalem, on the site of Al-Masjid Al-Aqsa.

After the Jewish occupation of Jerusalem in 1967, a special Secret Fund of \$200,000,000 has been set up by world Jewry for the construction of the Jewish Temple.

Since March 1968, the Jewish authorities in occupied Palestine engaged Jewish archaeological teams for excavations under and around Al-Masjid Al-Aqsa, hoping to find traces of the Jewish Temple.

The Jerusalem Post Weekly of June 10, 1968, published two pages of photographs of the excavated areas and a report of their findings, under the headline "Uncovering the Temple's Walls Outer Pavement." The New York Times of August 15, 1968, published a dispatch from Jerusalem under the title "Israeli's Press Excavation at Temple in Old City of Jerusalem." "Time Weekly Magazine" of June 30, 1967, published an article under "Judaism: Should the Temple Be Re-built?" The article states the following:

"Israel's conquest of Jordanian Jerusalem, which sent thousands of devout Jews to pray in freedom before the historic Wailing Wall for the first time in centuries, has raised an interesting theological conundrum. Assuming that Israel keeps the Wall, which is one of the few remaining ruins of Judaism's Second Temple, has the time now come for the erection of the Third Temple?"

The article published a photograph of the model of the Second Temple under the quotation from Jewish prayers: "Renew our

days as they once were." The article states further: "An even greater obstacle is that the Temple must be constructed on its original site; this could only be done by demolishing Islam's sacred Dome of the Rock, the spot from which Mohammed ascended into heaven." The article goes on by stating: "Nonetheless, such is Israel's euphoria today that some Jews see plausible theological grounds for discussing reconstruction. They base their argument on the contention that Israel has already entered its 'Messianic era.' In 1948, they note, Israel's chief rabbis ruled that with the establishment of the Jewish state and the 'ingathering of the exiles,' the age of redemption had begun. Today, many of Israel's religious leaders are convinced that the Jews' victory over the Arabs has taken Judaism well beyond that point. Says Historian Israel Eldad: 'We are at the stage where David was when he liberated Jerusalem. From that time until the construction of the Temple by Solomon, only one generation passed. So will it be with us.' And what about that Muslim shrine? Answers Eldad: 'It is of course an open question. Who knows? Perhaps there will be an earthquake.'"

7. Jewish authorities, since 1967, have violated Muslim rights in Haram Syidna Ibrahim Alkhalil (Mosque of the Patriarchs) in Hebron, by restricting Muslims to praying in the Mosque only on Fridays. Jewish tourists desecrated this holy Mosque and often embarrassed and ridiculed Moslems while praying. Contrary to Muslim rights, Jews encroached on the Mosque and started using part of it for Jewish prayers. Against the protests of the Muslims of Hebron and the Supreme Muslim Council in Jerusalem, Jewish authorities brought hundreds of benches and placed them in the Mosque. Jews built a roof on a part of the mosque, with the object of converting it into a Jewish synagogue.

On the 16th of November, 1972, the Chairman of the Supreme Muslim Council in Jerusalem, Sheikh Hilmi Al-Muhtasib, held a press conference outside Al-Masjid Al-Aqsa and, as reported in the Jerusalem Post of November 17, 1972, Sheikh Al-Muhtasib stated: "Ever since the West Bank was occupied in June 1967, Jews have been forcing their way into the Hebron's Ibrahimi Mosque, committing acts of provocation and being insensitive to the feelings of the Muslims, the shrine's legitimate owners." Sheikh Al-Muhtasib stated further "that the site was gradually being turned into a synagogue. The latest act of aggression at the Hebron shrine was the most serious in a list of trespasses committed since 1967." In reply to a question, Sheikh Al-Muhtasib said: "Muslims did not oppose Jewish visits to the Hebron shrine, but were against Jews holding prayers on the site, which has been a mosque for the past 14 centuries. There can be no compromise on this."

During the first week of August, 1975, the Jewish press published that the "Israeli cabinet" decided to introduce new arrangements for Jewish and Muslim prayers at the Muslim mosque. The new arrangements provide for the divisions of the Holy Site space-wise rather than time-wise, as heretofore. Two halls of the Mosque will be reserved for Muslim prayers throughout the day, and three halls will be used for Jewish prayers only.

The new arrangement was formulated by the War Criminal Shimon Perez, the fanatic Polish Khazar Talmudist Jew. The Jewish Telegraphic Agency reported that "according to some reports, six cabinet ministers abstained from the cabinet vote on the new measures and indicated that they believed that they were misguided and mistimed."

This, in effect, means that Jews have usurped a great part of this Holy Mosque and converted it into a synagogue. Jews were seen recently drinking wine and celebrating marriages in this Muslim holy place, thereby desecrating the Holy Muslim Mosque.

This new Jewish aggression against Muslim holy places is stirring the whole Arab and Moslem world. Demonstrations are being held in many Muslim countries, and meetings of Muslim leaders are scheduled for discussing this new Jewish aggression.

8. The General Assembly since 1967 adopted five Resolutions, and the Security Council adopted three Resolutions concerning the Holy City of Jerusalem. All these Resolutions called upon the illegal racist Jewish colonial regime to rescind all measures which were adopted since 1967 to change the nature of the Holy City. The last of these Resolutions by the Security Council was adopted on September 25, 1971. The said Resolution deplored the failure of so-called "Israel" to respect the previous Resolutions adopted by the United Nations concerning measures and actions purporting to affect the status of the city of Jerusalem. It confirmed that all legislative and administrative actions taken by so-called "Israel" to change the status of the City of Jerusalem including its expropriation of land and properties, transfer of populations, and legislation aimed at the incorporation of the occupied section are totally invalid and cannot change that status. The Security Council urgently called upon so-called "Israel" "to rescind all previous measures and to take no further steps in the occupied section of Jerusalem which may purport to change the status of the City, or which would prejudice the rights of the inhabitants and the interests of the international community, or a just and lasting peace."

What was the answer of the illegal Jewish colonial regime? The then representative of that regime, the counterfeit Ambassador Yosef Tuckashinsky, a Soviet Jew, raised in Shanghai and who is a United States citizen, defied the Security Council and informed the Council immediately after the adoption of the said Resolution that the Resolution will be ignored.

The Secretary-General was charged by the Security Council to report on the implementation of this Resolution, and submitted a report on November 19, 1971, suggesting that the best way of fulfilling his responsibilities would be through a mission composed of three members of the Security Council. All consultations proved to be fruitless, and the Secretary-General informed the Security Council that so-called "Israel" was not willing to comply with the Security Council resolution, and that he was unable to fulfill his mandate under the said Resolution.

The Security Council resolution was not only defied by words but by deeds. The Jewish War Criminals continued their campaign of usurpation of Arab properties, expulsion of Palestinians and destruction of Arab homes and shrines. Fifty thousand Muslim and Christian families were expelled from the Old City of Jerusalem and suburbs and their homes were either taken over by Jews or destroyed. Jews destroyed nine Moslem mosques, some of which were built in the 7th century A.D. The Jews usurped 17,000 Dunams of land in the Arab quarters outside the Jerusalem walls. This area is about 17,000,000 square meters. Jews made plans to construct 13 complexes of apartment buildings on the usurped Arab lands to accommodate 120,000 Jewish immigrants who are expected from the Soviet Union and the United States. Ten of these buildings have been completed.

The aforementioned facts are only a few of many which prove the criminal record of the Jewish racist regime in occupied Palestine in desecration, destruction and usurpation of Muslim and Christian Holy Places.

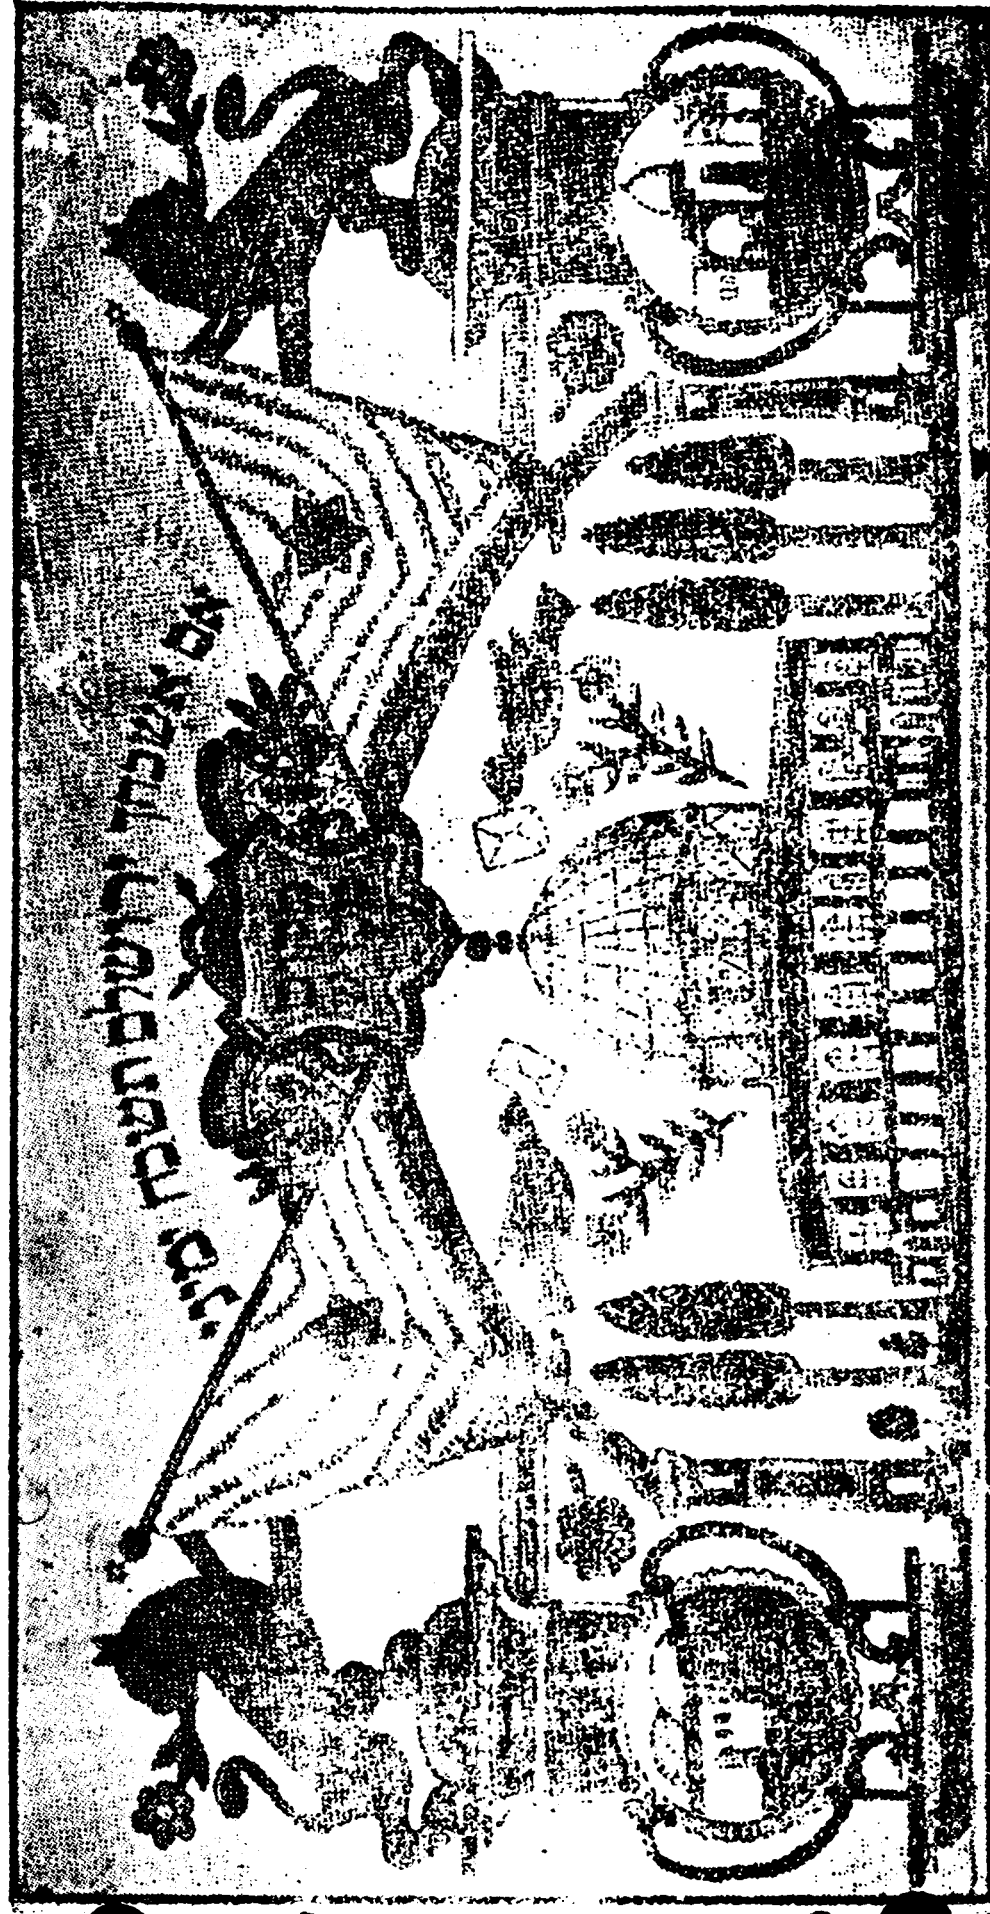

The ex-Military Governor of the West Bank, who himself will be indicted for War Crimes, Genocide and Crimes Against Humanity, must not dare again make fraudulent statements in the United Nations to whitewash the criminal record of the Jewish fanatic racist regime he represents.

A picture of Dr. «Herzel», the leader of Zionism in front of the holy Al-Masjidul-Aqsa calling upon the Jewish masses to enter into their Temple (i.e. Al-Aqsa Mosque).

The Jews distribute all over the world coloured pictures of the Muslim holy places which they aim to occupy. These are Al-Masjidul-Aqsa in Jerusalem, the «Abraham Mosque» in Hebron and others. The above is a true copy of these pictures. It shows the «Jewish Crown» and the «Ten Commandments» over the Dome of the Rock in Al-Masjidul-Aqsa. This is another proof of the determination of the Jews to occupy the Muslim holy shrines and to reconstruct «Jewish Temple» on the site of Al-Aqsa.
